Brothers,

Congratulations on a successful completion of the year 2008. With the old year behind us and a new year awaiting its time to prepare for our future adventures together. Upcoming in this year is the Winter Fellowship, which attendance is very pertinent and the weekend itself very fun. No service and fun classes/games! I hope to be able to hear the halls ringing with chants of “OG” “LALA” and our other various chants. Sonic is at our fingertips and I know our arrowmen have missed our old, ceramic, almost creepy Indian friend.

March 6-8 will be the weekend of Spring Fellowship, a theme of cowboys. So strap up and prepare for a weekend of fun! I hope to see everyone out in the beautiful weather, enjoying all the OA has to offer.

Yours in service
Bryan Franz
